

ALLOY

SNOWMOBILE TRAILERS

FOR 1972

NEW! SNOWMOBILE COVER KIT

- No special oversize trailer required
- Adapts to standard Alloy trailer
- Keeps highway salt and slush off machines
- Protects machines during summer storage
- Makes fine utility or motorcycle trailer with Alloy's cycle troughs
- Sides bolt to trailer frame and stay there while driving machines off and on
- Front and top remove easily
- Designed by Alloy for highway speeds and wind currents
- Installs on Model LS-7396-E

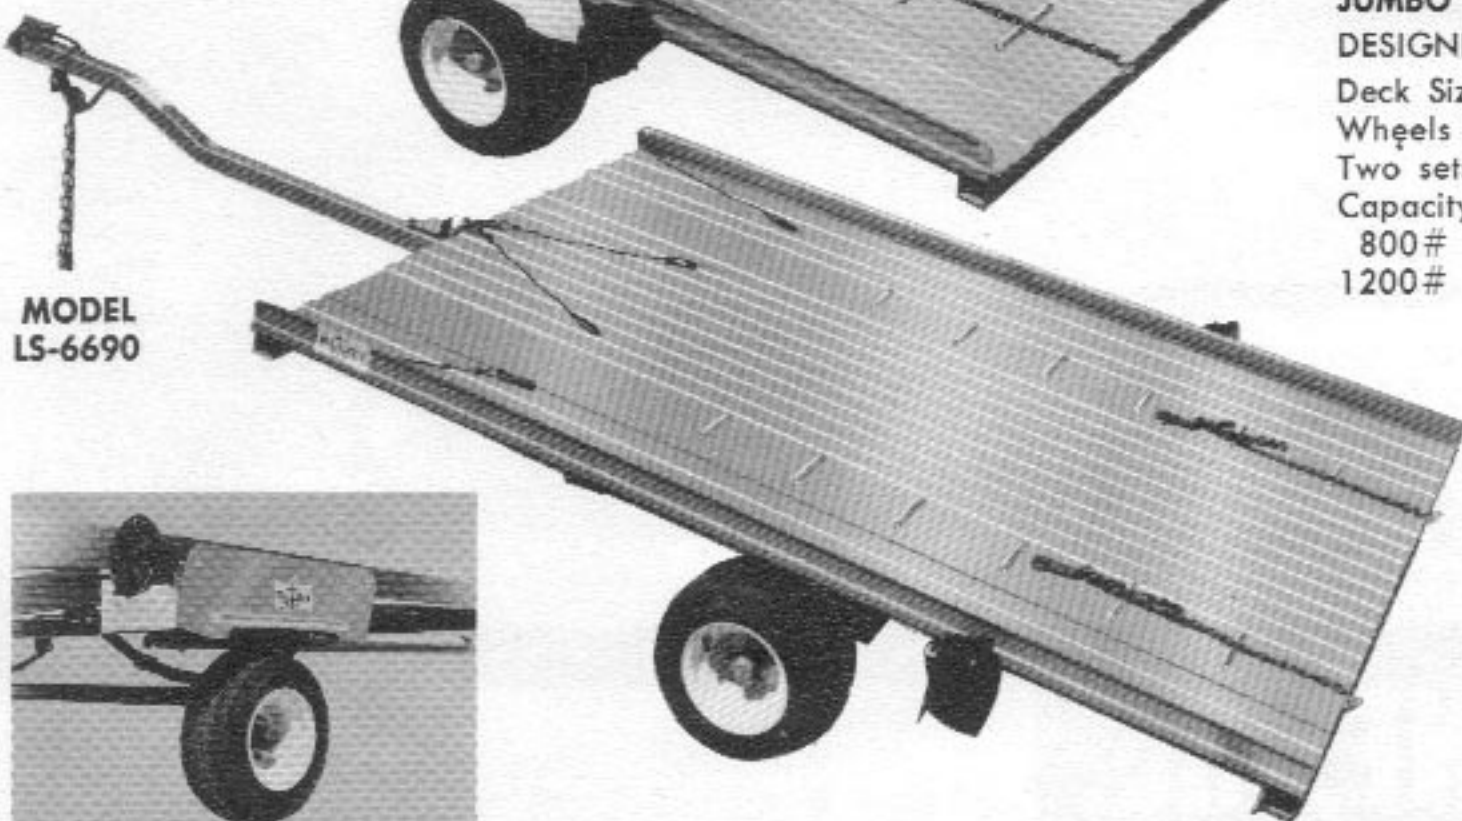

Trailer pivots 90° for easy drive-off. Note cover kit sides remain on trailer.

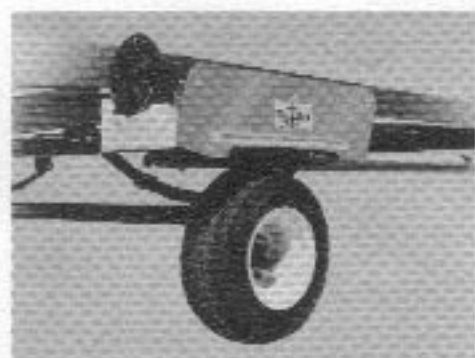

Trailer tilts for easy drive-on. Perfect balance of cover kit sides allows trailer to remain in tilted position for drive-on.

THE ORIGINAL FOLDING SNOW-SLED READY
IN SECONDS FOR TRUCK OR TRAILER STORAGE.

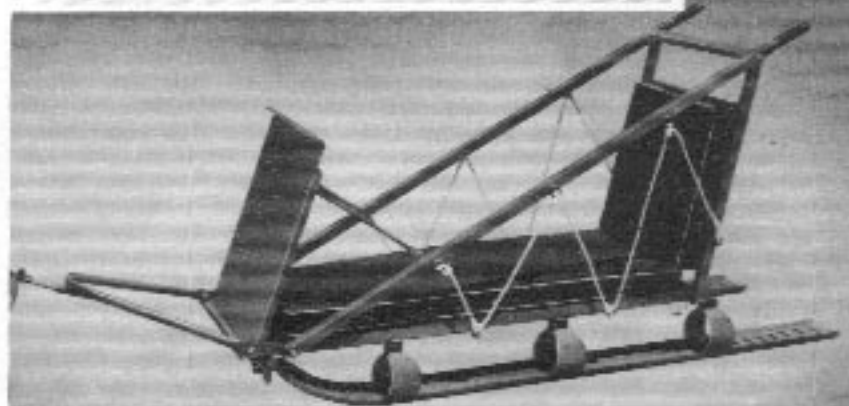

Styled after the famous Alaskan Dog Sled . . . Alloy's folding "Mush" sleigh is constructed of welded steel, formed and reinforced for strength and ruggedness. Folding front snow-shield and white polyrope side lacing standard equipment. Carries 3 adults or 4 to 5 youngsters.

COLOR: Black or Tangerine.

DIMENSIONS: Overall length 8', width 24". Comes completely assembled, folded in a carton 6' long & 10" high, weighing only 98 lbs.

ACCESSORIES: All new steel hinged seat folds completely out of way under cushion when not in use.

1½" thick foam rubber cushion with tough reinforced vinyl cover is also available for added "Fun with comfort".
